

Boodarie SIA, Port Hedland

landcorp.com.au/bocdariesia

This project has been master planned to accommodate a range of mineral, gas processing and other strategic industries requiring access to the nearby Port Hedland port.

At a glance

- Proponents that have already chosen to invest in the Boodarie SIA include Alinta (power station) and Sub 161 (compressed natural gas)
- Connected to key regional road, gas and water infrastructure networks

The opportunity

- Large scale sites available, protected from sensitive land uses
- A secure investment environment, close to skilled workforce and townsite amenities
